10-1-9-1: INOPERABLE MOTOR VEHICLES:

"Inoperable motor vehicle" shall not include a motor vehicle which has been rendered temporarily incapable of being driven under its own motor power in order to perform ordinary service or repair operations. However, nothing in this Section shall apply to any motor vehicle that is kept within a building when not in use, or to historic vehicles over twenty five (25) years of age or to a motor vehicle on the premises of a place of business engaged in the wrecking or junking of motor vehicles.

10-1-9-3: NOTIFICATION TO LAW ENFORCEMENT AGENCIES:

When an abandoned, lost, stolen or unclaimed motor vehicle or other vehicle comes into the temporary possession or custody of a person in the Village, not the owner of the vehicle, such person shall immediately notify the Police Department. Upon receipt of such notification, the police will authorize a towing service to remove and take possession of the abandoned, lost, stolen or unclaimed motor vehicle or other vehicle. The towing service will safely keep the towed vehicle and its contents and maintain a record of the tow as set forth in Section 10-9-5, until the vehicle is claimed by the owner or any other person legally entitled to possession thereof or until it is disposed of as provided in this Chapter.

10-1-9-4: REMOVAL OF VEHICLES:

- A. When a motor vehicle or other vehicle is abandoned on a highway in an urban district ten (10) hours or more, its removal by a towing service may be authorized by the Police Department.

- D. When a vehicle removal from either public or private property is authorized by the Police Department, the owner of the vehicle will be responsible for all towing and storage charges.
- E. Except as provided in Section 4-203(f)(1 through 11) of the Illinois Vehicle

Code, the owner or lessor of privately owned real property within the Village, or any person authorized by such owner or lessor, or any law enforcement agency in the case of publicly owned real property may cause any motor vehicle abandoned or left unattended upon such property without permission to be removed by a towing service without liability for the costs of removal, transportation or storage or damage caused by such removal, transportation or storage. The towing or removal of any vehicle from private property without the consent of the registered owner or other legally authorized person in control of the vehicle is subject to compliance with the provisions of Section 4-203(f) (1 through 11) of the Illinois Vehicle Code.

- F. When a vehicle is determined to be a hazardous dilapidated motor vehicle within the Village boundaries pursuant to Section 11-40-3.1 of the Illinois Municipal Code, its removal and impoundment by a towing service may be authorized by the Police Department.

10-1-9-5: REPORTS ON TOWED VEHICLES:

When a motor vehicle or other vehicle is authorized to be towed away as provided in Sections 10-1-9-3 and 10-1-9-4, the Police Department shall keep and maintain a record of the vehicle towed, listing the color, year of manufacture, manufacturer's trade name, manufacturer's series name, body style, vehicle identification number, license plate year and number, and registration sticker year and number displayed on the vehicle. The record shall also include the date and hour of the tow, location towed from, location towed to, reason for towing and the name of the officer authorizing the tow.

10-1-9-6: IDENTIFYING VEHICLES:

- A. When the Police Department authorizing the impounding of a motor vehicle or other vehicle does not know the identity of the registered owner, lienholder or other legally entitled person, that Police Department will cause the vehicle registration records of the State of Illinois to be searched by a directed communication to the Secretary of State for the purpose of obtaining the required ownership information. The Police Department authorizing the impounding of a vehicle will cause the stolen motor vehicle files of the Illinois State Police to be searched by a directed communication to the Illinois State Police for stolen or wanted information on the vehicle. When the Illinois State Police files are searched with negative results, the information contained in the National Crime Information Center (NCIC) files will be searched by the Illinois State Police. The information determined from these record searches will be

returned to the Police Department for its use in sending a notification by certified mail to the registered owner, lienholder and other legally entitled person advising where the vehicle is held, requesting a disposition be made and setting forth public sale information. Notification shall be sent no later than ten (10) days after the date the Police Department impounds or authorizes the impounding of a vehicle, provided that if the Police Department is unable to determine the identity of the registered owner, lienholder or other person legally entitled to ownership of the impounded vehicle within a ten (10) day period after impoundment, then notification shall be sent no later than two (2) days after the date the identity of the registered owner, lienholder or other person legally entitled to ownership of the impounded vehicle is determined. Exceptions to a notification by certified mail to the registered owner, lienholder and other legally entitled person are set forth in Section 10-9-8B.

- B. Identifying and Tracing of Vehicle Ownership by Illinois State Police: When the registered owner, lienholder or other person legally entitled to the possession of a motor vehicle or other vehicle cannot be identified from the registration files of this State or from the registration files of a foreign state, if applicable, the Police Department shall notify the Illinois State Police, for the purpose of identifying the vehicle owner or other person legally entitled to the possession of the vehicle. The information obtained by the Illinois State Police will be immediately forwarded to the Police Department for notification of owner purposes as set forth in subsection A hereof.

10-1-9-7: RECLAIMED VEHICLE, EXPENSES:

Any time before a motor vehicle or other vehicle is sold at public sale or disposed of as provided in Section 10-1-9-8, the owner, lienholder or other person legally entitled to its possession may reclaim the vehicle by presenting to the Police Department proof of ownership or proof of the right to possession of the vehicle. No vehicle shall be released to the owner or other person under this Section until all towing and storage charges have been paid.

10-1-9-8: DISPOSAL OF UNCLAIMED VEHICLES:

- A. When an abandoned, lost, stolen or unclaimed motor vehicle or other vehicle seven (7) years of age or newer remains unclaimed by the registered owner, lienholder or other person legally entitled to its possession for a period of thirty (30) days after notice has been given as provided in Section 10-1-9-6, the Police Department or towing service having possession of the vehicle shall cause it to be sold at public auction to a person licensed as an automotive

parts recycler, rebuilder or scrap processor under Chapter 5 of the Illinois Vehicle Code or the towing operator which towed the vehicle. Notice of the time and place of the sale shall be posted in a conspicuous place for at least ten (10) days prior to the sale on the premises where the vehicle has been impounded. At least ten (10) days prior to the sale, the Police Department or the towing service where the vehicle is impounded, shall cause a notice of the time and place of the sale to be sent by certified mail to the registered owner, lienholder and other persons known by the Police Department or towing service to be legally entitled to the possession of the vehicle. Such notice shall contain a complete description of the vehicle to be sold and what steps must be taken by a legally entitled person to reclaim the vehicle.

In those instances where the certified notification specified in Section 10-9-6 has been returned by the postal authorities to the Police Department or towing service due to the addressee having moved, or being unknown at the address obtained from the registration records of this State, the sending of a second certified notice will not be required.

B. Disposal of Unclaimed Vehicles Without Notice:

1. When the identity of the registered owner or other person legally entitled to the possession of an abandoned, lost or unclaimed vehicle of seven (7) years of age or newer cannot be determined by any means provided for in this Title, the vehicle may be sold as provided in subsection A hereof without notice to the registered owner or other person legally entitled to the possession of the vehicle.
2. When an abandoned vehicle of more than seven (7) years of age is impounded as specified by this Title, it will be kept in custody for a minimum of ten (10) days for the purpose of determining ownership, the contacting of the registered owner by the U.S. mail, public service or in person for a determination of disposition; and, an examination of the Illinois State Police stolen motor vehicle files for theft and wanted information. At the expiration of the ten (10) day period, without the benefit of disposition information being received from the registered owner, the Police Department will authorize the disposal of the vehicle as junk or salvage.

An exception to the above is provided for if in the opinion of the police officer processing the vehicle, it has value of two hundred dollars (\$200.00) or more and can be restored to safe operating condition. In this event, the agency may authorize its purchase as salvage and the Secretary of State may issue a salvage certificate.

3. A motor vehicle or other vehicle classified as an antique vehicle may, however, be sold to a person desiring to restore it.

10-1-9-9: DUTIES AFTER DISPOSITION OF VEHICLES:

- A. Police Reports After Vehicle is Reclaimed or Disposed of: When a vehicle in the custody of the Police Department is reclaimed by the registered owner, lienholder or other legally entitled person, or when the vehicle is sold at public sale or otherwise disposed of as provided in this Title, a report of the transaction will be maintained by the Police Department for a period of one year from the date of the sale or disposal.
- B. Disposition of Proceeds of Sale of Unclaimed Vehicles: When a vehicle located within the corporate limits of the Village is authorized to be towed away by the Police Department and disposed of as set forth in this Title, the proceeds of the public sale or disposition after the deduction of towing, storage and processing charges shall be deposited in the Treasury of the Village.

10-1-9-10: LIABILITY:

The Police Department, its officers and the towing service owner, operator or employee shall not be held to answer or be liable for damages in any action brought by the registered owner, former registered owner, or his legal representative, lienholders or any other person legally entitled to the possession of a motor vehicle or other vehicle when the vehicle was processed and sold or disposed of as provided by this Title.

BUSINESS DAY	Business Day means any day in which the office of the Village Clerk of the Village of Lincolnshire is open to the public for a minimum of seven (7) hours.
MOTOR VEHICLE	Motor Vehicle means every vehicle which is self-propelled, including but not limited to automobiles, trucks, vans, motorcycles and motor scooters.
OWNER OF RECORD	Owner of Record means the recorded title holder(s) of the vehicle.

10-1-13-2: USE OF MOTOR VEHICLES FOR UNLAWFUL PURPOSES:

- A. Conduct Prohibited: A motor vehicle that is used in connection with any of the following violations may be subject to seizure and impoundment by the Village, and the owner of record of said vehicle shall be liable to the Village for an administrative fee as established in the Comprehensive Fee Schedule set forth in Chapter 15 of Title 1 of this Code, plus any applicable towing fees.
1. Driving under the influence, as provided in section 11-501(a) of the Illinois Vehicle Code (625 ILCS 5/11-501(a)), or
 2. Driving with a suspended or revoked license, as provided in section 6-303 of the Illinois Vehicle Code (625 ILCS 5/6-303), as a result of a conviction pursuant to section 11-501(a) of the Illinois Vehicle Code, section 10-8-2 of the Lincolnshire Village Code, or similar provision of another municipal ordinance, or suspension under 625 ILCS 11-501.1.
 3. Any other violations of the Illinois Vehicle Code (625 ILCS 5/1-100, et. Seq.), Illinois Compiled Statutes or Lincolnshire Village Code which require that the vehicle be towed.
 4. Any violations of law which make the vehicle subject to seizure under 720 ILCS 5/36-1, et.seq.
 5. Any other circumstances under which the vehicle must be towed pursuant to the Lincolnshire Village Code, Lincolnshire Police Department Field Operations Procedures, or Lincolnshire Police Department Administrative Procedures.

10-1-13-3: SEIZURE AND IMPOUNDMENT:

- A. Whenever a Police Officer has reason to believe that a vehicle is subject to seizure and impoundment pursuant to this Section, the Police Officer shall provide for the towing of the vehicle to a facility approved by the Chief of Police. This Section shall not apply if the vehicle used in the violation was stolen at that time and the theft was reported to the appropriate police authorities within 24 hours after the theft was discovered or reasonably should have been discovered.
- B. The Police Officer shall notify any person identifying himself as the owner of the vehicle or any person who is found to be in control of the vehicle at the time of the alleged violation, if there is such a person, of the fact of the seizure and of the vehicle owner's right to request an administrative hearing to be conducted under this Section.

10-1-13-4: ADMINISTRATIVE HEARING:

- A. At the time a vehicle is seized and towed or impounded under the conditions set forth in Section 10-13-2 of this Code, the person in control of the vehicle shall be provided with a "Rights Pursuant to Notice of Vehicle Seizure" form. This form details the conditions causing the vehicle seizure and instructions on how to arrange for the return of the vehicle and how to request an Administrative Hearing to contest the seizure and tow. Upon payment of the penalty fee, the owner of the seized vehicle will be provided instructions on how to request a Hearing and must sign a non-binding "Penalty/Bond Sheet" receipt either requesting a Hearing or forfeiting a right to a Hearing. Copies of both forms will be provided to the driver/owner of the seized vehicle at the time of the seizure and penalty payment, or within a reasonable time period thereafter.

The owner of the record seeking a Hearing must file a written request for a Hearing with the Village Manager or his designee no later than ten (10) business days after notice was provided in either written and/or verbal form. The Hearing date must be no more than ten (10) business days after a request for a Hearing has been filed.

- B. All interested persons shall be given a reasonable opportunity to be heard at the hearing. The formal rules of evidence shall not apply at the hearing and hearsay evidence shall be admissible. In a hearing on the propriety of impoundment of a vehicle any sworn or affirmed report, citation or ticket that (i) is prepared in the performance of a law enforcement officer's duties and (ii) sufficiently describes the circumstances leading to the impoundment, shall be admissible evidence of the vehicle owner's liability, unless rebutted by clear

and convincing evidence to the contrary.

- C. If, after the hearing, the Hearing Officer determines by a preponderance of evidence that the vehicle was used in violation of the Section, the Hearing Officer shall then enter an order finding the owner of record of the vehicle civilly liable to the Village for the administrative penalty.
- D. If, after a hearing, the Hearing Officer does not determine by a preponderance of the evidence that the vehicle was used in such a violation, the Hearing Officer shall enter an order finding for the owner and for the return of the vehicle.
- E. If the owner of record requests a hearing but fails to appear at the hearing or fails to request a hearing in a timely manner, the owner of record shall be deemed to have waived his or her right to a hearing and the Hearing Officer shall enter a default order in favor of the Village in the amount of the administrative penalty.
- F. If the owner of record pays such penalty and the vehicle is returned to the owner, no default order need be entered if the owner is informed of his or her right to a hearing and signs a written waiver, in which case an order of liability shall be deemed to have been made when the Village receives the written waiver.

10-1-13-5: DISPOSITION OF IMPOUNDED VEHICLES:

- A. A penalty imposed pursuant to this Section shall constitute a debt due and owed the Village. A vehicle impounded pursuant to this Section shall remain impounded until:
 - 1. The fee as established in the Comprehensive Fee Schedule set forth in Chapter 15 of Title 1 of this Code is paid to the Village and all applicable towing fees are paid to the towing agent, in which case the owner of record shall be given possession of the vehicle, or
 - 2. A bond in the amount of the fee as established in the Comprehensive Fee Schedule set forth in Chapter 15 of Title 1 of this Code is posted with the Police Department and all applicable towing fees are paid to the towing agent, at which time the vehicle will be released to the owner of record, or

3. The vehicle is deemed abandoned, in which case the vehicle shall be disposed of in the manner provided by law for the disposition of abandoned vehicles.

10-1-13-6: POSTING OF BOND:

- A. If a bond is posted with the Police Department, the impounded vehicle shall be released to the owner of record. The owner of the vehicle shall still be liable to the towing agent for any applicable towing fees.
- B. If a penalty is imposed for violation of this Section, the bond will be forfeited to the Village; however if a violation of this Section is not proven by a preponderance of the evidence, the bond will be returned to the person posting the bond.
- C. All bond money posted pursuant to this Section shall be held by the Village until the Hearing Officer issues a decision, or, if there is a judicial review, until the court issues its decision.
- D. The bond posted will be in the form of cash, money order or certified check. Credit cards, personal checks, business checks or traveler-s checks will not be accepted.

10-1-13-7: VEHICLE POSSESSION:

Any motor vehicle that is not reclaimed within 30 days after the expiration of the time during which the owner of record may seek judicial review of the Village-s action under this Section, or the time at which a final judgment is rendered in favor of the Village, or the time a final administrative decision is rendered against an owner of record who is in default, may be disposed of as an unclaimed or abandoned vehicle as provided by law, provided, however, that where proceedings have been instituted under state or federal drug asset forfeiture laws, the subject vehicle may not be disposed of by the Village except as consistent with those proceedings.

10-1-14: PENALTY:

Any violation of said provisions of the Illinois Vehicle Code shall hereinafter be considered a violation of this Chapter and each such violation shall subject the violator thereof to the penalty provisions provided in the Illinois Vehicle Code or where superseded by the Comprehensive Fine/Penalty Schedule in Chapter

17, of Title 1 of this Code.
